CARDS

This is the correct sequence of the cards for this tutorial:

Basic Structure

Circle

In this tutorial, you will learn how to embroider a lollipop.

You should already know what a loop is and how it works.
The **'Circle'**-tutorial may be helpful for this tutorial.
Take a look at the embroidery tutorials in the Beginner series if you haven't embroidered anything yet.

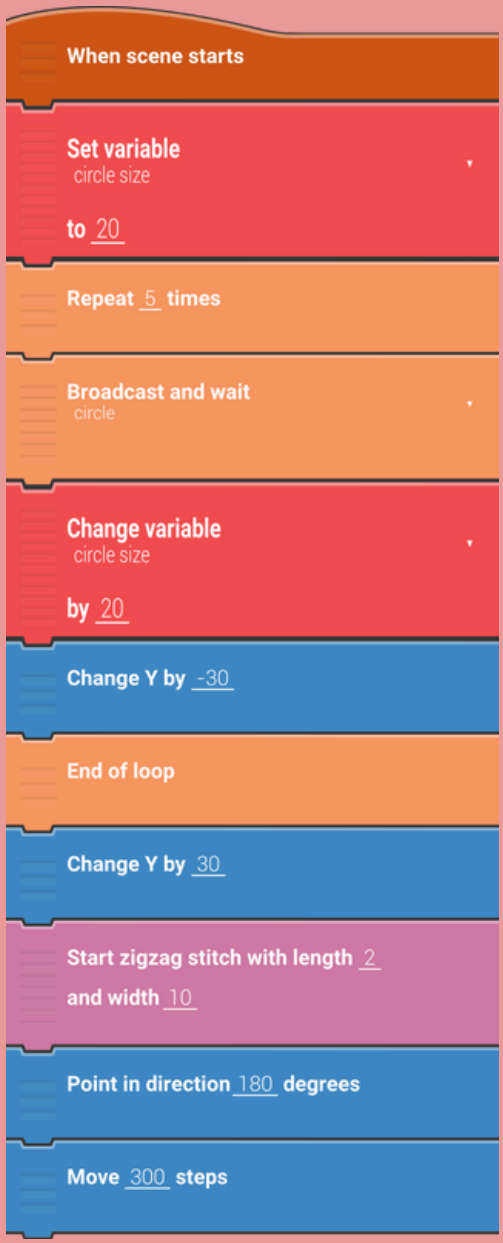
Basic Structure

First we program the basic structure.

1 Create a new Embroidery-Object (see **'Create Embroidery-Objects'**) and insert the following script:

Tap "new" to create a new message. Then choose a name.

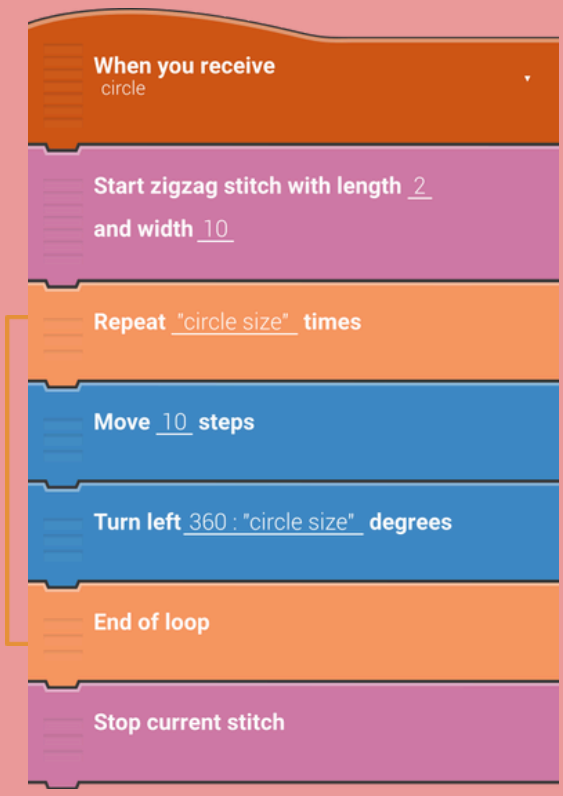


CATROBAT

Circle

This is how you embroider one circles.

1 This part is called every time the circle message is sent. Add it to your script too.



2 Tap play to start your design!
