CARDS

This is the correct sequence of the cards for this tutorial:

Stitch a Star

58,2 x 61,2 mm

In this tutorial, you will learn how to embroider a star with the zigzag stitch.

You should already know how to create a new object and insert bricks there. Feel free to check out the tutorials in the Starter series if you still need help. Additionally, the embroidery bricks must already be activated. You can find out how to do this in the the **'Activate Embroidery-Bricks'**-tutorial.

For more information or design suggestions check out the other tutorials.

Stitch a Star

You can embroider a star with zigzag stitch using a loop.

1   Create a new Embroidery-Object
(see **'Create Embroidery-Objects'**).

2   Now start and insert the bricks step by step to your script.

When scene starts

Start zigzag stitch with length _2_
and width _10_

Repeat _5_ times

Turn right _144_ degrees

Move _300_ steps

End of loop

This number changes the size of your star. Try out different values!

The End of Loop will be created automatically. All bricks in between the loop will be repeated.

3   Tap play to start your design!
